

EDUCATION

Nanyang Technological University, Singapore Aug 2024 - May 2028
Bachelor of Engineering in Electrical and Electronic Engineering, Current GPA: 4.25 / 5.0

- be offered a place in the Accelerated Bachelor Programme in view of good academic performance
- relevant course: Data structure & Algorithm, Artificial Intelligence & Data Mining, Computer Communications, Engineering Mathematics

Keqiao High School of Zhejiang, China Sep 2020 - May 2023
Gaokao(National College Entrance Examination), top 5% in Zhejiang Province

- Chinese, Math, English, Physics, History, Politics

WORK EXPERIENCE

Robopoet May 2026 - Present
Applied AI Engineer Intern

- Contributed to the design of an emotional companion AI memory benchmark, supporting the definition of evaluation tasks, capability dimensions, data samples, and metrics for long-term memory, memory updating, forgetting, temporal recall, and persistent user-state tracking.
- Evaluated and optimised the overseas AI companion model across multilingual interaction scenarios, supporting memory-system issue detection, Japanese prompt localisation, and schema configuration improvements to strengthen response consistency, localisation quality, and user experience.

Hangzhou NetEase Zhiqi Technology Co., Ltd May 2025 - Jul 2025
Data Annotation Intern, AI Model Training

- Annotated customer service dialogue data from e-commerce logistics platforms to support the training of AI-powered customer service models.
- Processed approximately 200–500 dialogue sessions per day, classifying user intents, service scenarios, and response patterns based on project-specific labelling guidelines.

CO-CURRICULAR ACTIVITIES

Gardening workshop member Sep 2025 - Present

- Cultivated 10+ mint seedlings from planting to maturity, achieving a 90% survival rate through consistent watering, soil monitoring, and pest control.

SKILLS

- Proficient in Python and C programming.
- Proficient in applying leading AI coding tools (e.g., Claude Code, Cursor, Codex) to accelerate daily work.
- Proficient in English and Mandarin, both in writing and reading.
- Proficient in Microsoft Word, Excel, PowerPoint.
- Proficient in Adobe Illustrator, Photoshop.
- Strong collaborative and interpersonal skills.

HOBBIES AND INTERESTS

- Achieved Black Belt (1st Dan) after over six years of intensive training, showcasing advanced forms and sparring techniques while enhancing teamwork, stage presence, and resilience.
- Counter-Strike 2 Enthusiast: Achieved [Faceit Level 8] status. Developed data-driven strategies by analyzing opponent patterns and game mechanics, demonstrating strong analytical skills and a commitment to continuous improvement.
